

that the world would be a better place to be in. I am sure that every girl who has experienced the Girl Guide programme would, in their own way, have become a better daughter, wife, mother and employer/employee," said Mrs Joy Balakrishnan, President, Girl Guides Singapore.

"GGS is committed to continually regenerate ourselves to ensure the relevance of our programme for current and future generations of girls and women. And, we are grateful to our volunteers, friends, partners, schools and parents for the generous support of their time and resources, without which we would not have been able to sustain the vibrancy and strength of GGS today," added Ms Yvonne Lim, Chief Commissioner, Girl Guides Singapore.

The proceeds from the Walkathon will be used mainly for GGS' programmes, with the aim to develop girls and young women to their fullest potential as useful citizens. The work of GGS is driven entirely by staff and volunteers whose enthusiasm, belief and passion continue to touch and light the lives of girls and young women through fun, relevant and enriching programmes.

Ms Kit Chan will be gracing the Walkathon as Guest-of-Honour. She will be hosted by Mrs Joy Balakrishnan.
